## 1 PRODUCT OVERVIEW

Owen Brothers DIN Rail to Panel Mount Conversion Kit - allows user to mount any 4-module din rail meter into a panel.

The Owen Brothers panel mount conversion kit provides a simple, cost effective solution, converting a din rail meter into a panel mounted meter. The panel kit acts as a cradle which holds the din rail meter securely in place.

The kit consists of two separate components making it practical, fast and easy to install, allowing the screen of the meter to be visible within the 96mm<sup>2</sup> square panel enclosure.

## 2 SPECIFICATION

- Fits within a 92mm<sup>2</sup> cutout
- Quick Installation

- **Panel Kit:**

Height: 96mm

Length: 96mm

Depth: 62mm

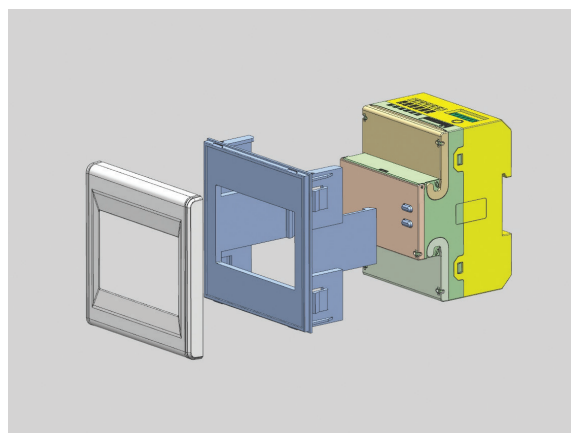

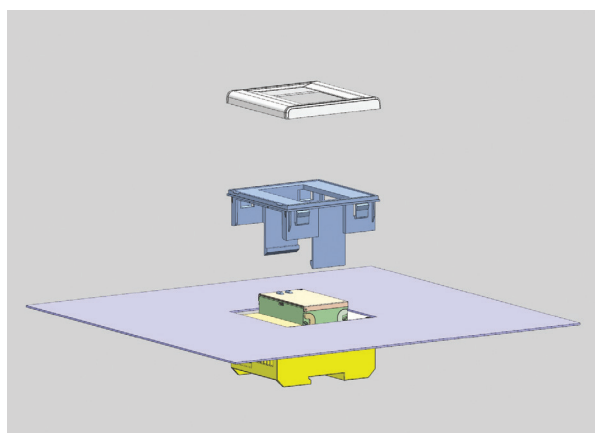

- **Face Hole:**

Height: 41mm

Length: 71mm

Best suited for: OB437# Series or any 4 din module meter.

**Images for illustration purposes only - meter not included.**
